

# NOVI GUARD / GERM PATROL

*28 Day Germ-Free Surface Protection*

## VIRUS

Alphavirus	Feline Calicivirus
Flavivirus	Rabies
Cerevisiae	Canine Parvovirus
Rubivirus	Rhino Type39
Ellipsodius	Rotavirus
Sindbus Virus	
Semliki Virus	
Influenza A	<b>FUNGUS</b>
Influenza B	Chaetom globosum
Influenza C	Aspergillus niger
Influenza A 2	Penicillum notatum
Asian Influenza	Fusarium sorani
Parvovirus	Rhizopus nigricans
HIV(AIDS)	Rhizoctonia solani
Hepatitis A	Hotmiascus gelatinosum
Hepatitis B	Polyporus tulipiferae
Hepatitis C	Aspergillus flavus
Herpes	Lenzites trabea
Cardiovirus	Ceratostomella filifera
Iridovidae	Trichophyton interdigitale
Poxviridae	Trichophyton rosaceum
Pneumovirus	Alternaria alternate
Vaccinie	Cladosporium cladosporioides
Adenovirus Type2	Fusarium oxysporum
Coxsackie B-1	Phoma sp.
Poliovirus Type1	Penicillum citrinum
Norwalk	Trichoderma sp.
BVDV	Mucor sp.
SARS	Rhizopus sp.

## BACTERIA

Staphylococcus aureus
Streptococcus faecalis
Vancomycin Resistant
Enterococcus(VRE)
Methicillin Resistant
Staph Aureus(MRSA)
Mycobacterium Tuberculosis
Spaerospermum
Pseudomonas aeruginosa
Bacillus subtilis
Enterobacter aerogenes
Klebsiella pneumoniae
Salmonella chloreraeusis
Salmonella typhosa
Salmonella typhi
Proteus vulguris
Escherichia coli
Aerobacter aerogenes
Clostridium difficile
BCG

## YEAST

Candida albicans
Saccharomyces cerevisiae
Saccharomyces ellipsodius
Saccharomyces turbidans

## Active Ingredients

Novi Guard contains a unique, patented anti-microbial complex containing phenol complexes quaternary salts, and inerts in a safe and effective 28-day formula.

## Approvals

FDA tested and registered  
EPA tested and registered  
OSHA/CDC compliant

## Shelf Life

2 years

## Surface Use

Glass  
Porcelain  
Marble  
Plastics  
Formica  
Non-porous vinyl  
Countertops  
Metal(including stainless steel and chrome)  
Painted surfaces
